Crazy and long day today. We amended 3.54 as most people supported. However, after two months and 141 pages of input, it was unanimously conveyed to our Board — and personally very frustrating for me to learn —that there was no way for us to confirm if a person in our custody is documented or not.

I found that very disappointing. Obviously there was no support from anyone for calling ICE to pick up someone we didn't know was a US citizen or not, so nothing was changed in that respect.....M
